29 July 1968

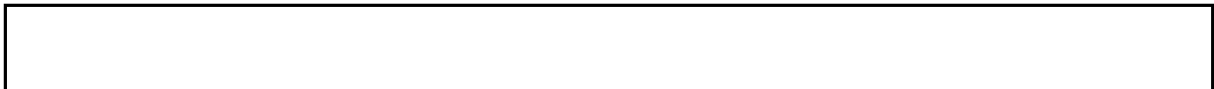

MEMORANDUM FOR THE RECORD

Morning Meeting of 29 July 1968

DD/I warned of what he feels is the onset of a most ominous phase in the Czech-Soviet confrontation in that the Soviets appear to have left themselves with very little room in which to move.

Godfrey provided the Director with a draft of the paper on North Vietnamese intentions.

Godfrey advised that the student unrest paper requires considerably more work.

25X

DD/S reported that the National Capital Planning Commission is completing its long-range plan and has made a decision to reserve Federal Government personnel increases in the Langley area for CIA and the Bureau of Public Roads.

Maury asked for guidance on the Czech situation for possible use with key members of Congress and was advised that there is no special information or line extant that is not contained in the press.

DD/S&T advised that he will be attending a meeting in the Pentagon today to examine evidence that the SR-71 may have been fired on over North Vietnam during the weekend.

25X

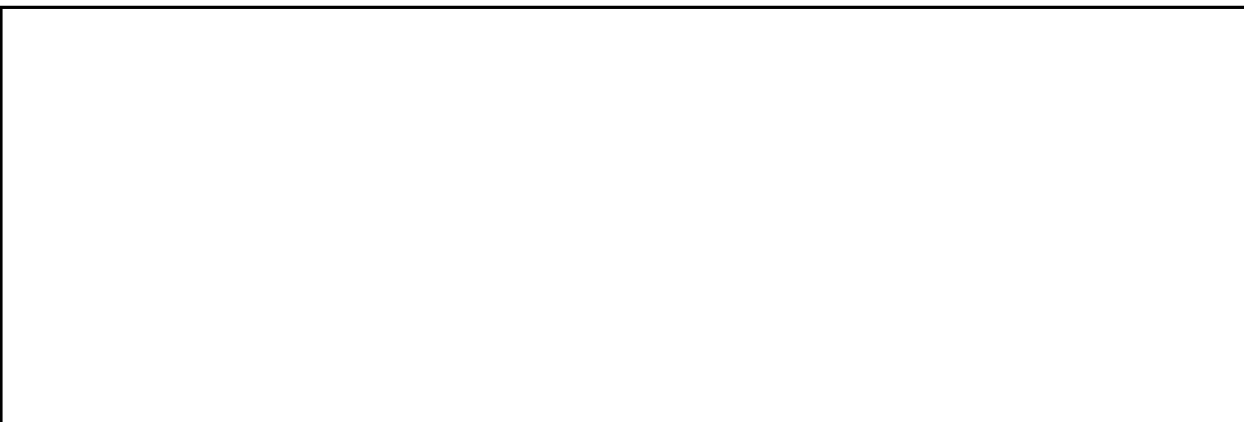

DD/P drew attention to a procedural issue which has been raised by the BALPA Step 4 report.

Executive Director indicated that he was informed while at the National Interdepartmental Seminar on Thursday that State has repaired its representation in the NIS as a consequence of the Director's calling attention to the matter.

Executive Director briefed on the status of SIG's treatment of the BALPA exercise and noted that, in general, no major issues within the Government are anticipated as SIG completes its work.
